Please note that the digital colour samples provided in this document are representations and should be used as a general guide only. Due to variations in digital reproduction, screen display settings, and printing processes, these colour samples may not accurately depict the exact hue, texture, or finish of the actual materials. The actual colour and finish of your home exterior may vary from these digital samples. It is always recommended to view actual material and colour samples, where available, prior to making final selections. While we strive to ensure the accuracy of these representations, Craighurst Crossing Inc. cannot be held responsible for any discrepancies between the digital colour samples in this document and the final product. It is the responsibility of the purchaser to confirm their satisfaction with the color and finish selections during the selection process. By viewing these colour samples, you acknowledge and agree to these conditions.
